

REMARKS

This is in response to the Notice to File Omitted Item(s) in a Nonprovisional Application mailed on July 13, 2004 stating that Figure(s) 133-236 of the specification have been omitted from the application.

First, Applicants respectfully submit that the above item(s) (Figures 133-236) were inadvertently omitted from the above-referenced application originally filed on March 18, 2003.

Secondly, Applicants respectfully submit that the preliminary amendment, filed on March 18, 2003 with the present application, clearly stated that the above-referenced application is "a continuation application claiming priority under 35 USC §120 of copending US Application number 09/918,585 filed 7/30/2001 ... the entire disclosures of which are hereby incorporated by reference."

In addition, Applicants respectfully direct the Examiner's attention to the enclosed copy of the original transmittal filed on March 18, 2003 with the present application, which states:

For CONTINUATION OR DIVISIONAL APPS only: The entire disclosure of the prior application, from which an oath or declaration is supplied under Box 5b, is considered a part of the disclosure of the accompanying continuation or divisional application and is *hereby incorporated by reference*. **The incorporation can only be relied upon when a portion has been inadvertently omitted from the submitted application parts.** (Emphasis added).

Applicants further submit that the enclosed copies of Figures 133-236 are identical to those found in the parent US Application number 09/918,585, US Publication No. 2003/0060406 A1. Copies of Figures 133-236 from US Publication No. 2003/0060406 A1 are enclosed herewith for the Examiner's easy reference.

Accordingly, pursuant to MPEP §608.01(p), Applicants herewith amend the specification by inserting the previously omitted Figures 133-236 of the specification.

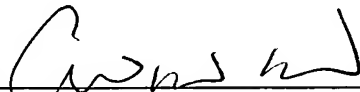

Applicants believe that the present application is now complete, and a Notice to that effect is respectfully requested.
